We would like to add ECON 312 and ECON 314 to the list of the list of course options that may be used to complete the “Economic History or Comparative Systems” requirement for the economics major. The current list includes ECON 310, ECON 311, ECON 315, ECON 380, and ECON 410. We would like for it to include ECON 310, ECON 311, ECON 312, ECON 314, ECON 315, ECON 380, and ECON 410. Students will continue to only be required to take one course from this list.

As the courses that are being proposed are economic history classes, we would like to give our students the option of using them to fill the “Economic History or Comparative Systems” requirement. This should not require any additional resources.
