DEPARTMENT/PROGRAM Public & Community Health/BS in Community Health

PROPOSED ACTION (A separate form for each) ADD____ DELETE_____ CHANGE X

DESCRIPTION (Provide a succinct account of the proposed action. Details should be provided in an attachment. Provide old and new sample programs for curriculum changes.)

Remove HLTH 150 (First Aid & Emergency Medical Services) as a required course in the Community Health major.

JUSTIFICATION/REASONS/RESOURCES (Briefly explain the reason for the proposed action. Identify the source of new resources that may be required. Details should be provided in an attachment.)

The clash between the academic requirements of a two-credit course and the constantly shifting regulations of the certifying body (American Red Cross) continue to make this a very difficult course to administer. In addition, the rising costs of necessary equipment updates compound the problem, making continuation of the course problematic.
