PROPOSED ACTION (A separate form for each) ADD____ DELETEx CHANGE_x

DESCRIPTION (Provide a succinct account of the proposed action. Details should be provided in an attachment. Provide old and new sample programs for curriculum changes.)

The approved title of the MPST-LEAD program is “Master’s of Professional Studies in Leadership and Ethical Development.” We request a name change to Master’s of Professional Studies in LEADERSHIP EDUCATION AND DEVELOPMENT, retroactive to the date of original approval of curriculum, June 14, 2006.

JUSTIFICATION/REASONS/RESOURCES (Briefly explain the reason for the proposed action. Identify the source of new resources that may be required. Details should be provided in an attachment.)

The approved title, “Leadership and Ethical Development,” was one of the original names considered for the program. It was accidentally left on the cover sheet and the program was approved that way, although that was not what was actually intended. We request a change to “Leadership Education and Development” to correct this clerical oversight and to more accurately reflect the program content and curriculum.
