PROPOSED ACTION (A separate form for each) ADD____ DELETE____ CHANGE_x_x_

DESCRIPTION (Provide a succinct account of the proposed action. Details should be provided in an attachment. Provide old and new sample programs for curriculum changes.)
(1) Request a curriculum change to authorize the choice of one required class during the spring semester.

JUSTIFICATION/REASONS/RESOURCES (Briefly explain the reason for the proposed action. Identify the source of new resources that may be required. Details should be provided in an attachment.)
In the original Naval Academy Request for Information, LEAD students were allowed to take one elective Fall and Spring semesters in order to appreciate the full graduate school experience. Students have found that the CORE curriculum is very intense, and have not been able to take any electives. The Advisory Committee has recommended, and it has been accepted by the Naval Academy, that one of the mandatory courses in the spring be replaced by an option to choose one of three courses to be taken with non-LEAD students. Courses such as Soc 654 Military Families, EDCP 611 Career Development, EDCP 612 Multicultural Issues, and other relevant courses will be offered, taught by faculty in either the Sociology, EDCP or Psychology departments. Proposed change is included as enclosure. This will not increase the overall cost of the program, but will require renegotiation of funding for the affected departments.
