Dear Dan:

Thank you for forwarding the request of the College of Education, UMCP, to discontinue the following attached 19 Areas of Concentration table to be deleted.

I know this was a difficult decision. Please accept my approval and express my appreciation to departmental faculty for their careful work in making this decision.

Sincerely yours,

Type of Action (choose one):

☐ Curriculum change (including informal specializations) ☐ New academic degree/award program
☐ Renaming of program or formal Area of Concentration ☐ New Professional Studies award iteration
☐ Addition/deletion of formal Area of Concentration ☐ New Minor
X Suspend/delete program ☐ Other

Italics indicate that the proposed program action must be presented to the full University Senate for consideration.

Summary of Proposed Action:
The Maryland Redesign of Teacher Education requires students to complete an academic major in their content area. Students interested in art education therefore must complete an Art major in the College of Arts & Humanities, which is a BA program. The BS degree option is no longer appropriate for students pursuing an art education major. No students are currently enrolled in the BS degree option; instead, they are all enrolled in the Bachelor of Arts degree program in Art Education.
