Associates

CIVICUS is made up of a diverse group of student leaders whose distinct personalities, perspectives, and backgrounds enrich class discussions, service projects, and the conversations throughout the halls of Somerset. This camaraderie continues even after our students have completed their citation, as many CIVICUS juniors and seniors return regularly to Somerset and remain involved with the program.

In addition to being involved with the CIVICUS community, many of our students are actively involved in the University and local communities. Each of the following students is ready to answer any questions you may have about the program and his/her experiences, so please click on a name to learn more about him/her.
